

# Intel Notebook from Acer for Your Staff Purchase Program

Combining useability, connectivity, dynamic processing power and graphics, the **Acer TravelMate 4672** takes users to a new dimension of mobile business computing. Conceived for success and practicality, the TravelMate 4672 is ready when and where you are.

## Unique Advantages of the Acer Notebook:

- **Acers' Signal Up Wireless Technology** offering 25% better reception than other notebooks.
- **Acers' e-Manager** offering different personal settings to be activated simply at the touch of a button to change from Classroom mode, to Presentation mode, to Home mode and more.
- **Acers' e-Recovery** in the event of you loosing files/data for whatever reason, including hardware failure, under most circumstances, Acers' "e-Recovery" offers a simple means of recovering that data and ensures you don't have to waste time re-creating that file.
